

## Inclement Weather Policies

### Emergency Closings

The security of the children comes first, so if the district cancels, starts late, or releases early because they feel that there is a threat to safety, Kid Connection (School Age Care) will follow the same procedures:

**If the Farmington Public Schools are closed due to weather,**

**Farmington Kid Connection will also be closed.**

**If school is dismissed early** due to weather we **will not** be able to accommodate your children that day. ***Farmington Kid Connection does not have enough staff on-site during the school day to meet this need. Please make sure the school office has your Emergency Closing Form on file so they know where to send your child.***

**If there is a 2 hour late start**, Kid Connection will open at 8:00 a.m. Please call your site before dropping off because in some cases staff will have already reported to work and they may be able to accept children before 8:00 a.m.

**If evening activities and classes are cancelled** due to inclement weather but school remains in session all day, Kid Connection will remain open. **However, we encourage parents to make arrangements or to pick up as early as possible for the safety of the children, parents and staff.**
