

DRIVER EDUCATION – SUMMER 2012

AUDUBON COMMUNITY SCHOOLS

Dear Parents,

Your son or daughter has indicated interest in the summer driver education program. Here are a few of the factors needed to make a final decision on his or her participation this summer.

1. Permits are required prior to May 17, 2012.
2. Two hundred twenty-five dollar (\$225) fee required, **(check) due first day of class, May 17.**
3. **All classroom and driving dates must be attended – there are no make-up dates as 30 hours of classroom and 6 hours of driving are required by law.** Driving days and times will be determined the first day of class.
4. Classroom times and dates are as follows:
Parents are invited for the first hour of the first class, which is the evening of May 17, 2012 from 7:00-8:00 p.m. Students will be asked to stay for another hour from 8:00-9:00 p.m.
The other 14 classes will be from 9:00-11:00 A.M. beginning after Memorial Day:
May 29, 30, 31, June 1, 4, 5, 6, 7, 8, 11, 12, 13, 14, 15 = total of 30 hours
5. Driving times will be arranged in block form so driving should require about a 6-day period. A student would drive daily until done. Scheduling will be done the first night.
6. We need the form at the bottom of this page **returned by March 1 to the High School Principal's Office. We will assume you are not interested if the form is not returned by this date.**
7. Any misuse of driving privileges during the driver education session may be deemed as grounds for dismissal from the program depending on the nature of the activity.
8. **Missing a class session is not allowed except in case of emergency. Please do not ask to miss a classroom session – thus plan your summer accordingly.**

.....

I definitely plan to take driver education 2012 summer session. I understand the rules and dates beginning May 17 and extending no later than July 15. I will be able to attend all classes and driving sessions, and I understand there is a \$225.00 lab fee for the course to be paid the first day of class, May 17, 2012.
